

*From the office of the Tooth Fairy*

*My sweetest little friend,*

*I can't believe you have lost another tooth! You are growing up so very fast. It feels like just yesterday that I was collecting your first one!*

*I have taken a good look at your tooth and it looks like you have been taking excellent care! I am so proud of you!*

*Always remember to brush, floss, and don't eat too much candy!*

*Congratulations! I can't wait to see your smile with your beautiful adult tooth!*

*Lots of love,  
The Tooth Fairy*
